Marketing and Promotion

MARKETING/PROMOTION:

Dr. Hancock would like to promote your event through media interviews.

Please provide a separate listing of contacts in television, radio or newspaper arenas so that this can be arranged.

It is best if you make the initial contact with them and then provide the contact information of professionals who desire time to interview or schedule Dr. Hancock for programming (talk shows, on-air interviews).

We ask that you send us copies of all print media and resources (brochures, posters, invitations) that are used to promote the event.

If you have any questions please feel free to contact:
